1 Linux Print System at Cisco Systems, Inc.   ■
Damian Ivereigh
October 1998 **Linux Journal**

Publisher: Specialized Systems Consultants, Inc.
Full text available: 🗐 html(40.10 KB)   Additional Information: full citation, abstract, index terms

> Cisco runs a redundant system of 50 print servers using Linux, Samba and Netatalk. It
> prints to approximately 1,600 printers worldwide, serving 10,000 UNIX and Windows 95
> users, some of whom are in mission-critical environments

2 Comparing the usage of digital rights management systems in the music, film, and   ■
◈ print industry
Marc Fetscherin, Matthias Schmid
September 2003 **Proceedings of the 5th international conference on Electronic
                commerce ICEC '03**
Publisher: ACM Press
Full text available: 🗎 pdf(212.60 KB)   Additional Information: full citation, abstract, references, index terms

> The business of content providers is being threatened by technology advances in
> hardware, software and IP-networks such as the Internet or peer-to-peer file sharing
> systems. The result is an increasing amount of illegal copies available on-line as well as
> off-line.With the emergence of Digital Rights Management Systems (DRMS), the media
> and entertainment industry seems to have found the appropriate tool to simultaneously
> fight piracy and to monetize their assets. Although these systems are very ...

> **Keywords:** digital content, digital content distribution, digital rights management, piracy,
> protection technologies

3 Requirements and design goals for an Internet printing protocol   ▬
◈ F. D. Wright
December 1998 **StandardView**, Volume 6 Issue 4
Publisher: ACM Press
Full text available: 🗎 pdf(85.77 KB)   Additional Information: full citation, references

4 Implementing an IPP client and server for Linux

Peter Michalek, Michael Sweet
December 1998 **StandardView**, Volume 6 Issue 4
Publisher: ACM Press
Full text available: pdf(470.41 KB)   Additional Information: full citation

5 Using SSH port forwarding to print at remote locations
Rory Krause
February 2002 **Linux Journal**, Volume 2002 Issue 94
Publisher: Specialized Systems Consultants, Inc.
Full text available: html(12.54 KB)   Additional Information: full citation, abstract, index terms

   Directly print your office documents at home.
6 A model for Internet printing
Scott Isaacson
December 1998 **StandardView**, Volume 6 Issue 4
Publisher: ACM Press
Full text available: pdf(519.77 KB)   Additional Information: full citation

7 Interoperability testing for the Internet printing protocol
Peter Zehler
December 1998 **StandardView**, Volume 6 Issue 4
Publisher: ACM Press
Full text available: pdf(67.81 KB)   Additional Information: full citation, references

8 Creating an HTML help system for web-based products
Laura Rintjema, Kara Warburton
September 1998 **Proceedings of the 16th annual international conference on
                Computer documentation**
Publisher: ACM Press
Full text available: pdf(770.53 KB)   Additional Information: full citation, references, citings, index terms

   Keywords: hypertext information system, information architecture, navigation, task-
   oriented help

9 Where campus meets the Internet: a universally accessible online documentation
   system
Susan Topol, Mark Smith, Suzanne Schluederberg
February 1996 **Proceedings of the 13th annual international conference on Systems
                documentation: emerging from chaos: solutions for the growing
                complexity of our jobs**
Publisher: ACM Press
Full text available: pdf(809.98 KB)   Additional Information: full citation, references, index terms
